NEZTRATÍM SE!

PŘÍJMENÍ A JMÉNO TVÉ,
OBEC A TĚŽ ULICE.
TO MÁŠ VE SVÉ ADRESE,
DEJ SI POZOR, NEZTRAŤ SE!

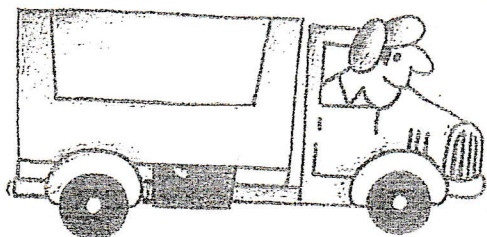

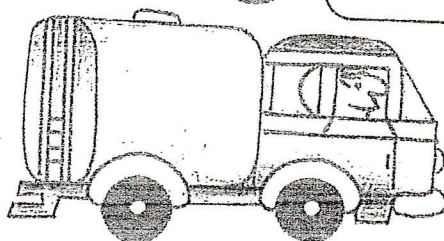

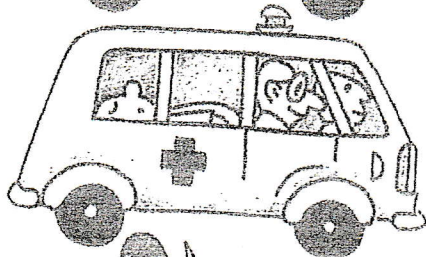

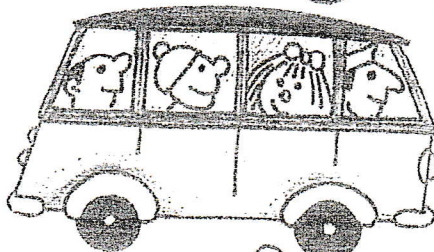

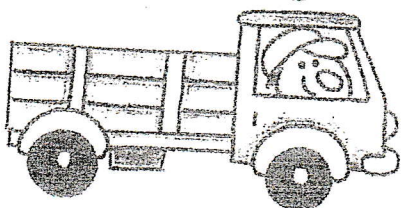

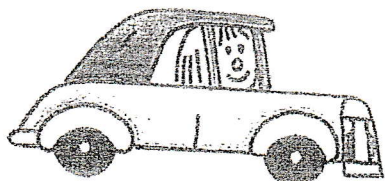

Podle toho, kde bydlíš, vybarvi jednu ze dvou tvářiček - buď u obrázku města nebo u obrázku vesnice.
Do prázdného místa nakreslí svoji rodinu, nebo i své bydliště.

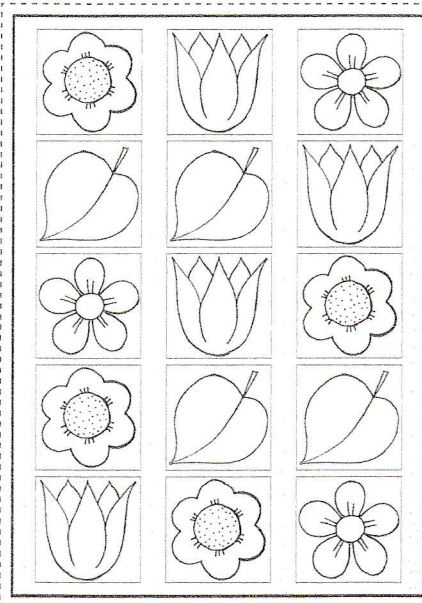

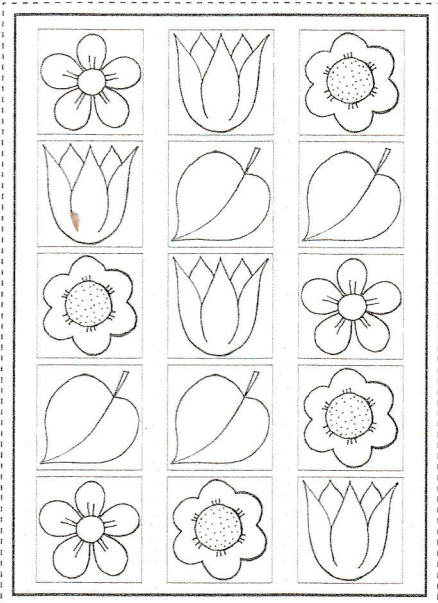

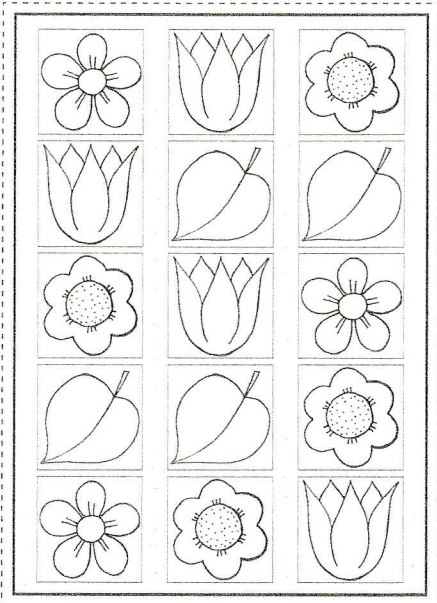

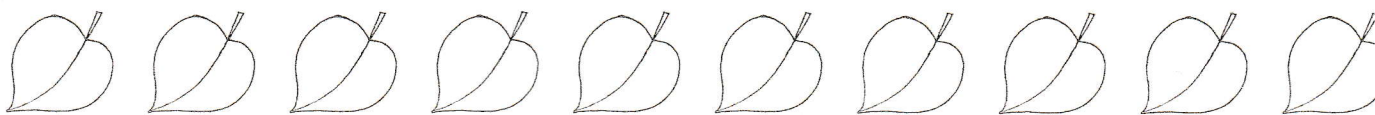

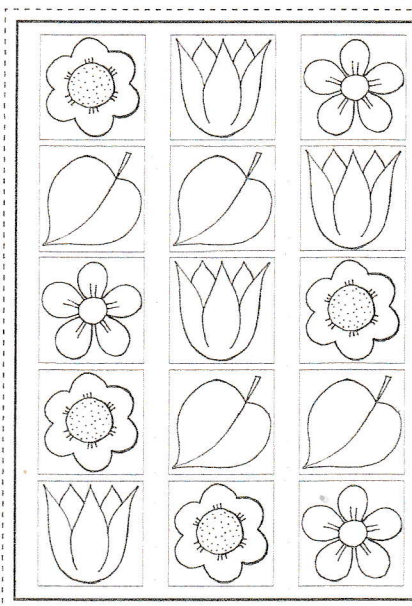

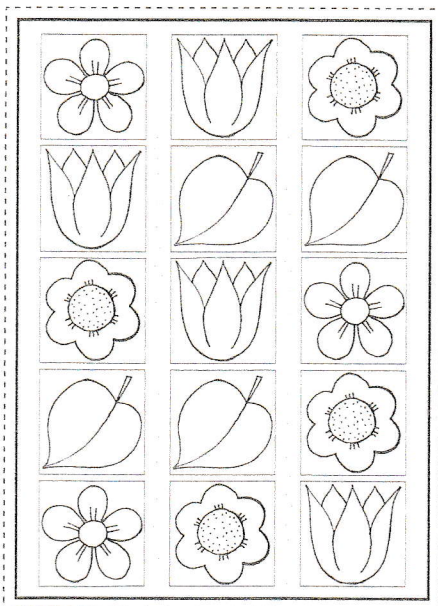

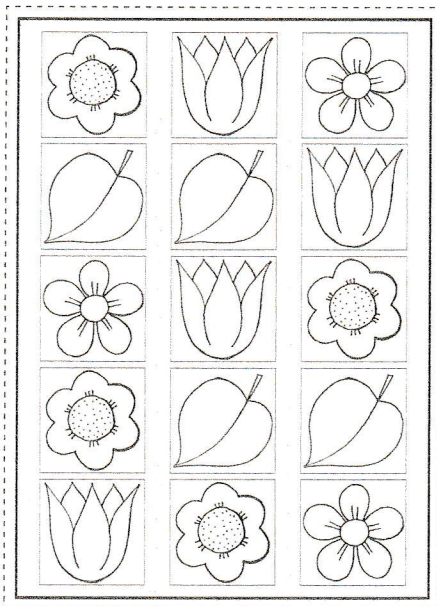

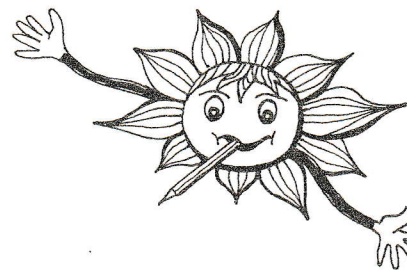

Na silnici jezdí osobní automobily, nákladní automobily, autobusy, speciální vozidla (záchranná služba, hasiči), motocykly a kamiony. Když je silnice rovná jako pravítko, bez zatáček, jedou všechna vozidla ROVNĚ. Staň se řidičem a ukaž, jak umíš řídit, když máš jet rovně.

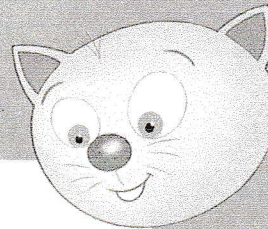

VEZMI SI PASTELKY (pro každé vozidlo pastelku jiné barvy) a „jed“ rovně. Udělej rovnou čáru od šipky až po konec silnice.

*Vybarvi jen lístečky,
nevybarvuj kytičky.*
